

Parkside Football Club

Commitment to Safeguarding Children & Young People

The Parkside Football Club is committed to promoting and protecting the safety and wellbeing of children and young people in our care who access activities, programs, services or facilities for which the Parkside Football Club is responsible for.

The Parkside Football Club Child Safety and Wellbeing Policy and Procedures seek to promote and protect the rights of all children in our care and prevent abuse from occurring by fostering a child safe culture.

In the event a concern or allegation is raised in relation to child abuse that has occurred under the Parkside Football Club's care, the Parkside Football Club will ensure it is treated seriously, in a culturally sensitive manner and fully investigated in accordance with relevant legislation and the Parkside Football Club's Policy and Procedures.

The Parkside Football Club will actively promote the safety and wellbeing of children and young people, recognising the need for community football clubs to take direct responsibility for providing a safe physical and online environment for children and young people in their care.
