

Welcome to Season 2024

We are pleased to invite all Parksiders to Season 2024! After a successful season we find our club back in Division 1 and are excited at what opportunities are ahead. The club along with the Parksiders are working together to further expand and engage with as many people as we can in order to strengthen, harness momentum and build further towards a strong football club for everyone to enjoy. That includes entering into our second season with the Parkside Spurs when two clubs now are fully united as one as well as working further within our Ascot Vale Junior Football Club partnership. We welcome all Spurs Players and Administrators and our friends at Ascot Vale friends both Past and Present into the Parksiders for Season 2024.

What is the PPSG ?

The **Parksiders Past Players & Supporters Group (PPSG)** offers support to the club each and every season through various means including but not exclusive to finance, membership and event management. The PPSG has evolved over many years and we are now in the process of extending our network and grow our base.

What being a member of the PPSG means?

As a past player, a past administrator or coach or purely just an avid Parkside supporter by becoming a PPSG member you ensure the stability and continuity of the club from a financial perspective, you become a vital member of the expanding membership base, you are invited to exclusive events through the football year and generally remain an integral part of the fabric of the club that we have all be involved with.

We are encouraging as many people as possible in 2024 and beyond to consider joining this coterie group and assist in the building a broad base of members for the club whilst providing a return on your investment including events, club updates along with further expansion into the future.
